### Uniform Requirements

Our Uniform Policy is based on our philosophy that students do their best when they feel their best. We encourage our students to take pride in their dance appearance, helping them to have positive self-image. We believe that you should embrace your own style but need to adhere to a few rules so that you are dressed appropriately for each of your classes. Please be aware of the importance of wearing the correct dance shoes for each dance genre to ensure the development of appropriate technique and safe dance adherence. The right shoes decrease the risk of injury and help you become the best dancer you can be.
